

THE FOTHERINGHAY TABLE (CIRCULAR)

The fotheringhay table in oak | natural (oiled)

DESCRIPTION

An architectural centre table inspired by the flying buttresses of Fotheringhay church.

Made to measure to ensure your fotheringhay table fits your space perfectly. The architectural vernacular of the fotheringhay table works well at scale, with the cruciform pedestal providing an impressive and practical centrepiece.

Our fotheringhay table is typically made in solid oak. Our lighter finishes give this impressive table a relaxed feel and our darker finishes provide a more dramatic silhouette.

The large and elegant corbels and supports ensure the fotheringhay table will last many lifetimes.
