

ASH | WEATHERWORN F.18

MOOD

Upbeat and breezy. Beach house chic – available in any colour.

Our weatherworn ash works well with lower traffic areas such as table bases and occasional furniture.

SURFACE

As a dry, unsealed surface this will take on whatever is thrown at it, and in time will develop a rich patina.

For a protected surface, please consider one of our oiled, waxed or lacquered surfaces.

CONSIDERATIONS

Our hand applied finishes and the natural timber we use will vary slightly.

SAMPLES

Wood samples of this finish may be ordered at a cost of £20 + vat each (including postage).
